

Helitransfer Nikkaluokta – Kebnekaise stn 17 June – 27 September

www.kallaxflyg.se

Are you looking for an option where you have fresh feet before taking a peak trip? You can choose to fly helicopter to Kebnekaise station or back to Nikkaluokta. Kallax Flyg operates between Nikkaluokta and Kebnekaise station with helicopter service, departing twice a day during the high season and once a day in early summer and late summer according to the timetable below. You can also choose to send only the bag to make the hiking up to the mountain station a little more enjoyable.

Buy your ticket 30 minutes before departure at the helicopter base in Nikkaluokta, or in the evening before you want to leave, at the reception desk of Kebnekaise station. Everyone who has bought a ticket in time are guaranteed a seat in the helicopter. We have no maximum number of tickets. In case of full helicopter, we will fly several times. - Welcome to come and fly with us!
