

Helicopter transport with Kallaxflyg AB

www.kallaxflyg.se

Are you looking for an option where you have fresh feet before taking a peak trip? You can choose to fly helicopter to Kebnekaise Mountain station or back to Nikkaluokta . Kallax FLYg operates between Nikkaluokta and Kebnekaise station with helicopter service, departing twice a day during high season and once a day during late summer according to the timetable below. You can also choose to send only your bag to make the hiking up to the maountain station a little bit more enjoyable.

Buy your ticket 20 minutes before departure at the helicopter base in Nikkaluokta, or the evening before you want to leave at the reception desk at Kebnekaise station. Everyone who has bought a ticket in time are guaranteed a seat in the helicopter. We have no maximum number of tickets, and will fly several times.
